

CoCo meeting 7/19/2020

Meeting held via Zoom, members present: Josh Wronski director, Chris Brimmer Secretary, Anthony Polinia Chair, Mariel Bias vice chair, Martha Abbott assistant treasurer. Robert Millar Treasurer, Adam Norton, Tim Guiles, Jackie Stanton.

- 1) Chris Brimmer pressed the CoCo that we should run a full developed slate. Martha made the point that she didn't feel that the LG race was the issue but the down ballot, making sure we have enough votes. Josh will send out an email with whip count lists.
- 2) Robert gave a Treasurer Report. For once we are in a good place, more money coming in from Bernie, but the monthlies are still short. Robert would like an active fundraising committee and a long-range plan. Josh reported that another big donation is coming. We are looking at access to data bases, and we can hire an elections director without an issue.
- 3) Moved to elections director position. Discussion of possible candidates. Discussion of possible long-term position. Josh is preparing a listing for the job he doesn't think that we can hire before the primary but right after. Josh is proposing 17.50 an hour for a full-time salary, question about benefits, will be critiqued publicly for a lack of benefits. Discussion of how to close the issue. HAS arrived at as the solution.
- 4) Next State Committee Meeting, after the primary which would be August 15. Approved by consensus.
- 5) Green Party asked for an endorsement, looking to put together all the lefty third parties for a run. CoCo consensus that we sit this one out.
- 6) Discussion of an anti-racism forum on August 2nd in Windsor, looking for \$100 to help set it up. Consensus that we should make the donation and get credit for it.
- 7) Discussion of national organizing committee, Jeremy Hanson would like to be involved. No resources will be devoted but Jeremy could do some vetting and make some contacts.
